"... Using SchooliP has transformed our school..."

PALI NAHAL Principal Raha International School

IMPACT

Pali stated "After researching many platforms for school improvement, SchooliP was found to be the most efficient, user friendly and cost effective. The team at SchooliP supported a smooth implementation process and the flexible training sessions ensured all appropriate leaders were trained."

Pali also said "Using SchooliP has transformed our school action planning and leaders at all levels have been able to link their actions to our overall school developmental goals. These can be easily monitored and with the dashboard feature, it allows senior leaders to monitor the progress quickly, see the evidence and provide feedback to ensure clarity, accountability and accurate self evaluation."
